

WHIRLED PEAS

ACOUSTICAL MUSICIANS

Whirled Peas is a group of musicians that come together on a regular basis to share our love of blues, bluegrass and folk music.

Our musical journey includes rock, oldies and show tunes based on the audience's support and enthusiasm. The core of our group focuses on guitar, harmonica, banjo and more. We often are complemented by an array of talented **guest** musicians.

A LOOK AT LIFE

On November 23, 1936, a new publication was distributed – *LIFE* was born as was photojournalism. Publisher Henry Luce believed in the adage “One picture is worth a thousand words” and with that belief he created the first photo magazine in the US. For this accomplishment we nominate him as this week's **HONORARY PEA**.

Luce founded Time Inc. in 1922 with his Yale classmate Briton Hadden. This successful merger of minds and talents gave the public *Time* magazine in 1923, the *Saturday Review of Literature* and *Fortune* magazine in 1930.

The invention of the 35 mm camera in the early thirties revolutionized picture taking, which until that time had been posed and static. Luce was convinced that a magazine heavy with

the new form of photos and text that was terse, as in captions or text boxes, would appeal to the passions of people.

In 1936 he paid \$92,000 to the owners of *Life* magazine. He did not want their subscription list, their good will, nor their editorial content, he merely wanted the name.

With the first issue, it became clear that his mission for *Life* was correct. The debut edition was successful and well received by the readership and forever alter journalism. The magazine spanned 37 years.

PEAS PONDERINGS

To see life; to see the world; to eyewitness great events; to watch the faces of the poor and the gestures of the proud; to see strange things – machines, armies, multitudes, shadows in the jungle and on the moon; to see man's work – his paintings, towers, and discoveries; to see things thousands of miles away, things hidden behind walls and within rooms, things dangerous to come to; the women men love and many children; to see and to take pleasure in seeing; to see and be amazed; to see and be instructed....

Life's mission statement according to Henry Luce
